PROFESSIONAL EXPERIENCE

PowerPoint Presentation Designer | SlideEgg (Deckzi Solutions Pvt. Ltd.) *Feb 2025– Present*

- Designed professional presentation slides including business plans, corporate pitch decks, marketing dashboards, and infographic-rich data visualization slides.
- Created clean, visually consistent layouts that improved audience engagement and communication clarity for global clients.
- Delivered fully editable, high-quality presentation templates deployed on SlideEgg's content platform, contributing to SEO-driven traffic growth.
- Collaborated on competitive content analysis to identify keyword and design gaps, guiding new template creation in education, Venn diagrams, and business categories.
- Adhered to brand guidelines and modern design principles to ensure professional, consistent output across all deliverables.
- Utilized Microsoft PowerPoint, Adobe Illustrator, Canva, and Google Slides to produce presentation assets aligned with client brand standards.

Presentation Design Intern | SlideEgg (Deckzi Solutions Pvt. Ltd.) *Aug 2024– Jan 2025*

- Gained hands-on experience in professional presentation design, infographic creation, and visual storytelling across business and corporate domains.
- Successfully completed all assigned projects on time, demonstrating self-motivation and a proactive approach to skill development.

KEY PROJECTS & DELIVERABLES

- IT Business Plan Presentations— end-to-end slide decks with financial summaries and market analysis visuals.
- Corporate Pitch Decks— investor-ready decks with data charts, brand-consistent themes, and structured narratives.
- Marketing & Sales Dashboards— KPI-rich slides using data visualization best practices for executive audiences.

- Infographic & Data Visualization Slides— complex data simplified into clear visual formats for diverse industries.
- Calendar & Timeline Presentations— project roadmap and planning slides for operational and strategic use cases.
