PROFESSIONAL EXPERIENCE

Presentation Designer

Feb 2025 – Present

Deckzi Solutions Pvt. Ltd. (formerly SlideEgg), Chennai

- Design professional PowerPoint presentation slides including business plans, corporate pitch decks, marketing dashboards, and infographic-rich data visualization layouts for global clients.
- Create clean, visually consistent slide layouts and graphic design assets that improve audience engagement and communication clarity across diverse industries.
- Deliver fully editable, high-quality presentation templates deployed on SlideEgg's content platform, contributing directly to SEO-driven organic traffic growth.
- Conduct competitive content and design analysis to identify keyword and template gaps versus competitor platforms, guiding new template creation in education, Venn diagram, and business categories.
- Apply brand guidelines, typography standards, and modern design principles to ensure consistent, professional output across all presentation and graphic design deliverables.
- Design conceptual ad and poster layouts using Adobe Illustrator, Photoshop, and Canva for portfolio and client-facing brand projects.
- Collaborate cross-functionally with content and marketing teams to align visual design with brand identity and campaign objectives.

Presentation Design Intern

Aug 2024 – Jan 2025

Deckzi Solutions Pvt. Ltd. (formerly SlideEgg), Chennai

- Gained hands-on experience in professional presentation design, infographic creation, and visual storytelling across business and corporate domains.

- Assisted in designing PowerPoint templates and graphic layouts aligned with brand and design consistency standards.
- Successfully completed all assigned design projects on schedule, demonstrating strong self-motivation and a proactive approach to skill development.

KEY PROJECTS & DELIVERABLES

- Business Plan & Pitch Decks — End-to-end investor-ready presentation decks with financial summaries, market analysis visuals, and data-driven storytelling.
- Corporate & Marketing Dashboards — KPI-rich slide designs using data visualization best practices for executive-level audiences.
- Infographic & Data Visualization Design — Simplified complex data sets into clear, visually engaging infographic formats for diverse industries.
- Poster & Ad Concept Design — Conceptual brand poster and advertisement layouts for portfolio and client projects, including retail and lifestyle brand concepts.
- Calendar & Timeline Presentations — Project roadmap and strategic planning slide designs for operational use cases.
- Interactive Quiz Presentations — Engaging, audience-focused interactive slide decks designed for digital presentation platforms.
